The proposed City of Normandy TIF (Tax Increment Financing) redevelopment plan could have a profound effect on our community in the coming years. To get you more familiar with the scope of the planned redevelopment, the above figure has been copied from a current draft of the plan entitled, *Redevelopment Plan, Natural Bridge Road Redevelopment Area, City of Normandy, Missouri*, dated March 30, 2002. There area a total of 57 parcels of land within the defined project area boundary.
